## SELECTMEN'S REPORT

On March 5, 1958 the Board of Selectmen for the Town of Clarendon held its first meeting. Charles Ruane was chosen to act as Chairman of the Board for the year.

The following officers:

Fence Viewers—Richard Pratt, Robert J. Pratt and Henry Potter.

Pound Keepers—Isadore LaVictoire and Hiram Spafford.

Inspector of Lumber—Howard Pierce.

Weigher of Coal—John Pratt.

Tree Warden—Hugh Leahey.

Arrangements were made for the purchase of officers' bonds from Ralph Stafford of Wallingford.

The Selectmen decided to meet once a month and more if necessary. The day was later changed to the first Saturday in the month.

It was agreed not to enter into any agreement about use of a dump with either the Town of Wallingford or the Sanitary Disposal people.

Mr. Abatiell was dismissed as Town Lawyer and it was voted not to retain any one Town Lawyer for the present.

Robert J. Pratt resigned as Lister for the Town and Milton Squier was appointed to take his place.

On the recommendation of the Town Auditors the Selectmen added 40c to the current tax of \$7.25 voted in the March Town Meeting.

John B. Congdon resigned as Civil Defence Director. No one has been appointed to take his place as yet.

John B. Congdon resigned as School Director and Mrs. Irene Hill was appointed to take his place.

In May the Selectmen and Town Road Commissioner met with the District Road Commissioner in Rutland to plan summer work on Clarendon Roads. Again the Selectmen requested further Black Top on the Creek Road. This time the request was granted.

# REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Directors and Citizens of Clarendon, Vermont:

I submit my sixth annual report as your Superintendent of School.

The Clarendon Schools opened on Wednesday, September 3, 1958, with a total enrollment of 156 pupils.

New teachers were Miss Janice Lanzillo of Rutland in the North Primary School, Mrs. Mary Pratt of Clarendon in the grammar room of the Flats School, and Mrs. Alta Johnston of Ira in the Chippenhook School.

The Hill School was not opened this year. The Chippenhook School housed grades 5-8 and the Springs School, grades 1-4. Transportation was provided for the pupils to attend these two schools.

The East, Flats, Chippenhook, and the Springs Schools now have running water, flush toilets, and drinking fountains. The two North Clarendon Schools do not have these facilities. A public meeting was held last summer to see what could be done to improve the situation here but no solution resulted. The children of North Clarendon deserve better schools than they now have.

During the last school year, your School Department paid high-school tuition on eighty pupils who attended the following schools:

Wallingford High School.....	17
Springfield High School.....	1
Mount St. Joseph Academy.....	4
Rutland High School.....	41
West Rutland High School.....	17
	80

Tuition on these pupils cost \$22,348.04 which is 36% of the School Budget. Tuition costs will continue to increase.

Your School Directors and Superintendent recommend a school tax of \$4.75 be voted for the school year beginning on July 1, 1959. This is the same tax as this year. We feel that this will be sufficient for the operation of your schools.

Respectfully submitted,

EDSON E. PHELPS, Superintendent

## VERMONT STATE DEPRATMENT OF HEALTH ANNUAL TOWN REPORT, 1958

Through the following programs the State Department of Health works with the Health Officer and other officials, doctors and local citizens on community health. This report summarizes many of the services rendered to Clarendon last year and indicates other services available.

**CANCER AND CHRONIC DISEASE:** 1 person received services which included diagnosis and treatment at tumor clinics or financial aid toward hospitalization costs.

**CHILD HEALTH SERVICES:** 39 children attended 5 well-child and school conferences organized by the public health nurse. 5 children with orthopedic, cardiac, plastic or neurological conditions received services or appliances through clinics for handicapped children and 1 was given financial aid toward the cost of hospitalization.

**COMMUNICABLE DISEASE:** 5 persons received chest x-rays; 11 children received immunizing series, including booster injections, against diphtheria, whooping cough, and or tetanus. The immunizing series against poliomyelitis were given to 71 children and adults.

**ENVIRONMENTAL SANITATION:** A sanitarian or sanitary engineer made 52 inspections-consultations at the town's food and lodging places and 19 concerning water supply, sewage disposal, public buildings and other problems to protect health through improved town sanitation.

**LABORATORY SERVICES:** As aids in the control of communicable disease, tests were performed on 13 water samples, 32 blood specimens and 3 other specimens. Vaccines, antitoxins and biologicals were distributed for protection against communicable diseases.

**MENTAL HEALTH:** 2 persons and groups were served at the guidance clinic or through educational meetings or consultations. Services to individuals included 10-interviews with the psychiatrist, psychologist or psychiatric social worker. Financial and other assistance to develop local projects for prevention, treatment or education in the field of mental health were available.

**PUBLIC HEALTH NURSING:** The public health nurse's headquarters is in RUTLAND. Assisted by local people, she served well-child and school conferences, x-ray and immunization clinics. She visited homes, doctors and agencies, making 99 visits on behalf of 30 persons and community health activities. Her service is an essential element in the department's programs for health promotion, disease prevention, diagnosis, treatment and education.

Respectfully submitted,

ROBERT B. AIKEN, M.D., M.P.H.  
Commissioner of Health

### AUDITORS' REPORT

## VERMONT DEPARTMENT OF SOCIAL WELFARE

### Montpelier, Vermont

This is the twenty-third annual report which I have made to the citizens of Clarendon regarding State payments in your municipality of various types of assistance and welfare during 1958. The support and cooperation of town officers and people generally over this long period is gratefully acknowledged.

This year marks the greatest improvement in the assistance programs since they were inaugurated many years ago. Due to an increase in Federal funds available to the State and a fortunate combination of circumstances it has been possible to lift the ceiling in the three adult programs from \$63.00 to \$75.00 a month and in the Aid to Dependent Children program to \$45.00 for the eligible mother or relative, \$45.00 for the first child and \$25.00 for each additional child. Our food budget allowances have also been increased. This not only furnishes more financial security to the individuals themselves but should also relieve the towns and cities of much of the expense of supplementation. Although the bill has not passed the legislature at this writing, a program for nursing home care and limited hospitalization for eligible recipients of Old Age Assistance, Aid to the Blind and Aid to the Permanently and Totally Disabled has the endorsement of the town and city managers. This will relieve the towns and cities of 65 percent of the cost for which they are currently obligated. No additional state appropriation is proposed or required. Actually, the current total requests of the Department of Social Welfare for 1960-1961 are less than was appropriated for 1958-1959.

Old Age Assistance	\$7,602.00
Aid to the Blind	.....
Aid to Dependent Children*	5,386.00
Aid to the Disabled	924.00
Committed Children**	1,221.97
<b>TOTAL</b>	<b>\$15,133.97</b>

W. ARTHUR SIMPSON,  
Commissioner.

\*One-eighth paid by the town or city unless family is non-settled.

\*\*One-half paid by the town or city unless family is non-settled.
